WOODBINE HOLIDAY PARADE WINNERS

Woodbine—After getting rained out on its originally scheduled December 14 date, Woodbine's holiday parade was held December 15, smaller but more cosy than ever.

Woodbine Elementary School's "marching band" joined various fire and rescue vehicles and other participants before leading caroling at the Christmas tree prior to joining Santa and the Mayor in lighting both the tree, the gazebo lights, and the whole park-like pavilion area.

Everyone then headed over to the FireHouse for cookies, candy canes, hot chocolate, and a visit with Santa.

Mayor William Pikolycky congratulates the trophy winners from Woodbine's 2013 annual holiday parade.

Trophies were awarded for:

Best Marching Unit: First place, Woodbine Elementary School band.

Best Float: Dennis Township Volunteer Fire Company

Best Appearing Fire Company: First place, Cape May Court House; second place, Goshen.

Best Appearing Rescue: Belleplain Emergency Corps

"I thank our volunteer fire department for sponsoring this event, which though smaller due to the weather-required rescheduling, was well attended and a joyous event for our residents," added Mayor Pikolycky.
