4-H PROCLAMATION TO BE COMBINED WITH BLESSING OF ANIMALS

Woodbine—Mayor William Pikolycky is pleased to announce that a Proclamation for 4-H week, October 5-11 2008, will be issued during the October 5 annual Blessing of Animals at St. Casimir's, Clay and Jackson, Woodbine, at 11:30 a.m.

“Woodbine has a long history as an agricultural area, one that continues to this day and is enhanced by our increasing local equestrian presence. In keeping with this year's 4-H theme of “keeping it green”, the Woodbine School now has a Junior Master Gardener's Program. Students this past summer who took part in the initial Woodbine Gardening Initiative were recently honored with the 4-H Partnership Award,” noted Mayor Pikolycky.

All are invited to bring their animals, leashed or in carriers, for this blessing.
