3 April, 2007

**Woodbine**—Mayor William Pikolycky is pleased to announce that Comcast has presented the Woodbine Recreation Commission with a DVD-VHS player for use at their "Movie Nights" at the Community Center, 812 Longfellow Street. Comcast had previously presented the Borough with the wide-screen TV on which these movies will be shown. All children of the community from kindergarten through grade four are invited to participate. Admission is one dollar; refreshments will be provided.

Movies nights are held every third Friday night from 6 to 7:30 p.m. at the Community Center. The next evening will be April 20. During baseball and softball season please verify with the Recreation Commission at 861-2800 for any changes in schedule.

"Once again Comcast has stepped up to the plate for benefiting the community of Woodbine, and I thank them once again. This comes on the heels of Comcast providing us with state-of-the-art service not only at our elementary school but also for our Community/School projects," noted Mayor Pikolycky. "We look forward to thanking Comcast for their continuing commitment to the Borough of Woodbine when we see them for the formal presentation on April 20."
