CLIFFORD COMES TO STORYTIME IN WOODBINE

Woodbine—Mayor William Pikolycky is pleased to announce that Clifford the Big Red Dog will be visiting the recently reopened Woodbine Branch of the Cape May County Library on July 14 from 2 to 3 p.m. The children's librarians will be reading great books, singing songs, and then they'll call Clifford out from his doghouse to meet his fans. Children aged 3 to 8 (and their attendant adults) are invited to attend.

"We encourage parents and grandparents to bring these young ones to come see their friend the Big Red Dog and welcome our librarians back to their reopened, and air-conditioned, branch as summer programs at the library continue," added Mayor Pikolycky.
