Woodbine—Mayor William Pikolycky is pleased to announce that the Borough of Woodbine has made application to the New Jersey Department of Community Affairs for a “Bonus Recycling Grant” in the amount of \$17,102 for recycling cans.

Funds would be used purchase 49 recycling containers, with liners, to pair with existing public trash receptacles throughout the Borough of Woodbine.

“Use of these cans would encourage the public, both residents and visitors, to recycle and will enhance the appearance of our community. Additionally, having these in addition to trash cans will reduce the cost of our trash tonnage and increase the tonnage for recycling for which we receive cost savings and a credit,” added Mayor Pikolycky.
