BOROUGH TO RECEIVE DEP RECYCLING GRANT AWARD

Woodbine—Mayor William Pikolycky is pleased to announce that the Borough of Woodbine will receive \$2,948.40 from the State of New Jersey for a recycling grant.

The funds, based on 2014 recycling data, are being awarded through the state's Recycling Enhancement Act.

The recycling grant program is funded by a \$3 per ton surcharge on trash disposed of at solid waste facilities across the state. Distribution of grants this year is based on the recycling successes local governments demonstrated in 2014.

“This year we have been able to provide residents with new recycling cans, funded by a previous Recycling Tonnage Grant, so that we can continue our record of sustainable recycling,” noted Mayor Pikolycky. “This is one example of how these Recycling Tonnage Grant dollars benefit our taxpayers. I encourage any residents who have not yet picked their recycling container to contact the Borough Clerk's Office at 861-2153 to arrange pickup.”
