WELCOME HOME DIANTE LARACUENTE

Woodbine—Mayor William Pikolycky is pleased to announce that Diante “Peanut” Laracuate, son of Marisol Laracuate and Chipper McNear, is back home for a few days after serving for the last nine months in Afghanistan.

Diante is with the United State Army, 10th Mountain Division, Second Brigade. He enlisted after graduating from Millville High School in 2013, and is taking college courses with plans of applying to the New Jersey State Police when his enlistment is up in about six months. He was honored at the Hornstein-Switka-Oxley American Legion Post #298, 515 Washington Avenue, Woodbine, on Saturday, April 16 at 7 pm, which was also his twenty-first birthday. Prior to arriving at the Post, he was given a surprise motorcycle escort into town by the Warrior Watch Riders who were accompanied the New Jersey State Police from Woodbine Barracks.

“I thank Diante for his service to our Country and add my prayers that he will be back home for good soon,” said Mayor Pikolycky.
