WOODBINE RECEIVES FEMA FUNDS FOR FEBRUARY 2010 STORM

Woodbine—Mayor William Pikolycky is pleased to announce that the Federal Emergency Management Administration has approved the Borough of Woodbine's Application for eligible cost for emergency work incurred during the February 5 and 6, 2010, Severe Winter Storm Event. FEMA reimbursement in the amount of \$1926.15 was received as a Public Assistance Grant for such damages incurred.

"This funding enabled the Borough to not to have to incur any over-expenditures In our municipal budget for these emergency expenses," noted Mayor Pikolycky. "We thank the Federal government for their assistance during these economic times."
