### **WOODBINE RECEIVES ADDITIONAL FEMA FUNDS FOR FEBRUARY 2010 STORM**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Federal Emergency Management Administration has approved an additional application by the Borough of Woodbine for eligible cost for emergency work incurred during the February 5 and 6, 2010, Severe Winter Storm Event. FEMA reimbursement in the amount of \$6848.51 was received as a Public Assistance Grant for such damages incurred.

“With the previous grant of \$1926.15, this brings us to over \$8700 in FEMA reimbursement funds. Again, this funding enabled the Borough to not to have to incur any over-expenditures. In our municipal budget for these emergency expenses,” noted Mayor Pikolycky. “And so we again thank the Federal government for their assistance during these economic times.”
