WOODBINE FARMERS' MARKET GRAND OPENING JUNE 26

Woodbine—Mayor William Pikolycky is pleased to announce that Woodbine Farmers Market is now accepting vendors of locally-grown fruits, vegetables and flowers as well as homemade baked goods and arts and crafts.

The farmers market will open at 10:00 am every Saturday weather permitting starting June 26, the day of the 8th Annual Greater Woodbine Chamber of Commerce Family Festival and will be held in the lot across the street from Capt. Scrap Antiques, Collectibles and More (corner of Washington and Franklin).

“Farmers markets are good for everyone” says Kathleen O’Neill, owner of Capt. Scrap’s and the Farmers Market manager. “They are good for our health, good for our community, and good for the economy. Not to mention they offer the freshest foods from our area and preserve our county’s agricultural traditions. We welcome everyone in town and in the surrounding area to come out, set up a table and share all their homegrown and homemade goodies.”

Farmers markets are a community experience, where you can meet your neighbors, friends, and farmers, and where more of your dollar will stay in the community. This is our first year and we hope to see it grow into a thriving market that will serve the needs of the community, the surrounding area, and our tourists.

“I am delighted to see this concept reintroduced,” added Mayor Pikolycky “as it adds to our Green and Sustainable actions now in place throughout the Borough. I can’t wait for the chance to have available fresh home-grown produce just the block.”

To reserve a space call Kathleen at 609-425-3328 or stop in Capt. Scrap’s- 602 Washington Ave. Woodbine, NJ. Hours are 10:00 am to 5:00 pm. Closed Tuesdays.
