GREATER WOODBINE CHAMBER OF COMMERCE HOLDS PRESENTATION ON HEALTH BENEFITS AND SMALL BUSINESSES

Woodbine—Mayor William Pikolycky is pleased to announce that the Greater Woodbine Chamber of Commerce will be holding a business event, free and open to all, on Monday February 25, 2019, at 6 pm at the Woodbine Municipal Building, 501 Washington Avenue, Woodbine.

The event is presented by CASA payroll.

This will be a two part presentation:

The first part will be about the NJ paid sick leave act

Even though the NJ Paid Sick leave Act took effect on October 29, 2018, many small businesses still have questions concerning it.

The second part will be about NJ Small Employer Group Health Plans

- What employers qualify to establish a small employer group health plan in NJ?
- What are the rules to establish a NJ small group health plan?
- What determines rates in the NJ small employer health plan market?

For information call Lisa McVey-Fisher @609-780-3088.

“I want to thank our Chamber for holding this free informational session for small businesses and employers on the impact of these topics and encourage all those who might be affected to attend,” added Mayor Pikolycky.
