WOODBINE RECREATION COMMISSION RECEIVES SOUTH JERSEY GAS "GAME ON" GRANT

Woodbine—Mayor William Pikolycky is pleased to announce that the Woodbine Recreation Commission has received a \$500 "Game On" grant from South Jersey Gas through its parent company, South Jersey Industries.

The grant will be used for the Opening Day ceremonies for the Recreation Commission baseball program for boys and girls, which has eight teams for aged 5 to 14 and six teams for ages 8 to 14.

"We thank South Jersey Industries for having this grant program and for being such good neighbors. I look forward to the actual check presentation ceremony at Opening Day, where we'll get to meet South Jersey Industries mascot "Comfy Bear" and thank them in person for this award," added Mayor Pikolycky. "The timing of this award as we kick off the spring baseball season is most fortuitous, especially given these difficult economic times where all funding has become so competitive."
