WOODBINE GREEN TEAM DONATES TREES FOR VETERANS DAY

Woodbine—Mayor William Pikolycky is pleased to announce that Woodbine's Sustainable Jersey Green Team donated tubling trees to the Woodbine Elementary School on Veterans Day for planting by students and staff to remember and to honor both Veterans of All Wars and all those currently actively serving in all branches of the military.

"I want to thank our Green Team, and in particular Councilman Dave Bennett, for providing this opportunity for the school to commemorate our military, past and present, with the planting of these trees as a sign of hope for the future," remembranced Mayor Pikolycky.
