Woodbine—Mayor William Pikolycky is pleased to announce the Horizon Blue Cross Blue Shield of New Jersey (Horizon BCBSNJ) Blimp will be visiting the Woodbine Municipal Airport.

It will dock here on June 1 and June 2, and again from June 22 through June 30.

Their Snoopy blimp will also dock here from June 7 though June 12.

The airship invites onlookers to visit the airport when it is in dock.

“Once again we are glad to host the Blimp at our airport And welcome its counterpart Snoopy, and encourage everyone to come out and see them while they are in dock and as they transit along the coast during the day,” added Mayor Pikolycky
