CAPE MAY COUNTY LIBRARY HOLDING MOSAIC PENDANT MAKING WORKSHOP AT WOODBINE BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding a mosaic pendant making workshop at the Woodbine Branch Woodbine Branch, located at 800 Monroe Street, Woodbine, on Thursday, November 13, from 4 to 6 pm.

Create a piece of “wearable art” by using the technique of mosaic to fashion a unique pendant. With bits of stained glass, mirror, beads, and other interesting materials, use your imagination to design a pendant that is a reflection of your own personality. During this one day workshop we will discuss materials, design and glue our project. We will then grout, polish, and attach a black cord so it will be ready to wear or give as a gift.

Instructor Michele Pasciullo is a graphic designer with an AA from Cumberland County College. A member of Ocean City Fine Arts League, she's displayed and sold her work at local shops as well as given home parties and workshops. Join her in creating your very own masterpiece!

Class size is limited; therefore, registration is required. A \$10.00 nonrefundable materials fee is due upon registration. Registration begins October 6th. For more information please call 463-6386 or visit www.cmclibrary.org .

“We thank the County library for bringing yet another interesting workshop to our local branch and encourage early registration before the class fills up,” added Mayor Pikolycky. “We are been fortunate to have such accomplished people presenting these workshops here in Woodbine for our residents.”
