DECISION MAKING PROGRAM FOR TEENS AND TWEENS

Woodbine—Mayor William Pikolycky is pleased to announce that the program on “Decision Making Skills” for students aged 10 to 17 has been rescheduled to Friday, January 12, 2018, from 6 pm to 8 pm at the Woodbine Community Center, 812 Longfellow Street, Woodbine. (This is a rescheduling from the original December 15 date which was snowed out.)

The program is being sponsored by the Woodbine Municipal Alliance Committee together with the Woodbine Recreation Commission and will be presented by representatives of Cape Assist.

Pizza and refreshments will be served.

For further information contact Monsy Gallardo-Rodriguez at 609-861-5659.

“Hopeful that weather will be more clement for this important program, sharing such information in a relaxed and enjoyable setting, teaching our young people, our leaders of the future, to understand how to make decisions that will impact the rest of their lives.” added Mayor Pikolycky. “I want to thank our Recreation Commission and Municipal Alliance for sponsoring this event for the future of our young people.”
