SENIOR "LECTURE & LUNCHEON" PROGRAM SPONSORED BY WOODBINE MUNICIPAL ALLIANCE

Woodbine—Mayor William Pikolycky is pleased to announce the Woodbine Municipal Alliance is recently sponsored a Senior "Lecture & Luncheon" program at the Woodbine Community Center.

The program, held October 25, was given by Joe Faldetti of Cape Assist and entitled "Rethinking Stress". Approximately 20 Seniors attended the session. Another "Lecture & Luncheon" is planned before year's end.

"It was great to see such a strong turn-out for this program which was so timely as we enter into the holiday season," noted Mayor Pikolycky.
