Woodbine—Mayor William Pikolycky is pleased to announce the Woodbine Municipal Alliance is another sponsoring a Senior "Lecture & Luncheon" program at the Woodbine Community Center, 812 Longfellow Avenue, Woodbine,.

The program, to be held December 13 at noon, will be presented by Joe Faldetta of Cape Assist and entitled "**Communicating for Change**". The program will focus on using assertive communication to solve problems and reduce stress.

"I encourage all our seniors to register for this program," noted Mayor Pikolycky." And it also great to see our Community Center being used for such worthwhile--and well--attended, programs. This is just another example to see how the use of our Community Center and its Senior Annex is growing."
