### **AIDA NIEVES RECEIVES WOODBINE MUNICIPAL ALLIANCE AWARD**

**Woodbine**—Mayor William Pikolycky is pleased to announce that Aida Nieves was presented with the Woodbine Municipal Alliance “Volunteer of the Year” award at the Municipal Alliance Committee Awards Luncheon on November 16.

Mrs. Nieves has worked with the Woodbine Municipal Alliance program for seven years at the Woodbine Elementary School District. She is responsible for the Arts and Crafts program for the Municipal Alliance as well as for helping students with their homework. As a teacher she has helped children to achieve and to stay safe and substance-free. Besides participating in the Municipal Alliance programs, for the past twenty years Ms. Nieves has been the Bilingual/English as a Second Language (ESL) teacher at the Woodbine school district. She is also the Chairperson for the Professional Development Committee, negotiator for the Woodbine Education Association, and the Coordinator for the school's Puerto Rican Cultural Festival, this year to be held on November 30. She has proven a great asset to both the Municipal Alliance program and the Woodbine Elementary School District.

“I congratulate Mrs. Nieves on receiving this year's award and commend her for all her work that through the school benefits the entire community,” added Mayor Pikolycky.
