WOODBINE MUNICIPAL COURT MOVES UNDER SHARED SERVICES AGREEMENT

Woodbine—Mayor William Pikolycky is pleased to announce that the Woodbine Municipal Court is moving under a Shared Services agreement.

The new location will be at the Middle Township Municipal Court, 2 South Boyd Street, Cape May Court House. (Across from the Cape May County Main Library.)

Court appearance dates and hours of operation may change as a result of this agreement. Payable tickets and ticket time payments may be processed online at NJMCDIRECT.COM.

“We are pleased that our Shared Services agreement is going forward at the start of this New Year and that the cost savings that result will benefit our taxpayers without a loss of services. Again, we are at the forefront of shared services initiatives as they become increasingly mandated by the State,” added Mayor Pikolycky.
