### **GED CLASSES OFFERED AT ST. CASIMIR'S WOODBINE**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Neighborhood Outreach Center, 308 Clay Street, Woodbine (located at the “St. Joseph” building of St. Casimir’s Church) is now partnering with Cape May County Technical School District in their GED classes.

The Center is sponsored by the St. Vincent DePaul Society. The Center is open Monday and Wednesday from 9:30 to noon and Tuesday and Thursday from 8:30 to 11:30.

Pretesting for the GED is available as well as transportation to the Technical School for the final test.

Classes are free, and are one-on-one teaching. To register for classes call 609-374-5670.

“I encourage everyone needing to complete this phase of their education to take advantage of this sterling opportunity, and I express appreciation for all of those involved in offering it.

“Given these trying economic times, having a high school equivalency diploma will be a plus in the competitive job market. Once the economy begins to bounce back, having a high school equivalency diploma will put individuals into a better position for employment opportunities,” completed Mayor Pikolycky.
