PINELANDS SUMMER SHORT COURSE JULY 27 IN HAMMONTON

Woodbine—Mayor William Pikolycky, Chairman of the Pinelands Municipal Council, reminds Pinelands Area residents that Stockton University, in partnership with the New Jersey Pinelands Commission, will hold its first-ever Pinelands Summer Short Course on Thursday, July 27, 2017, at Stockton's Kramer Hall, in Hammonton, NJ.

The event will feature guided nature hikes, history and blueberry tours, a canoe trip on the Batsto River, a dragonfly walk, live music, and presentations on winemaking, butterflies, moths and the American Revolution.

Space is limited, so it is critical for participants to register early, as the event may sell out.

The Pinelands Short Course is registered with the New Jersey Department of Education, and professional development credits are available to New Jersey teachers who attend. Registration is \$60 per person.

For more information about the courses, please call (609) 894-7300, ext. 125. Full course descriptions are available on the Commission's website: www.nj.gov/pinelands.

To register online, please visit www.stockton.edu/pinelands. To register by phone, please call (609) 652-4227, Monday - Thursday, 8 a.m. - 5 p.m.

"This is the first-ever Summer Short Course, and we wish the organizers the best for the success of this endeavor," added Mayor Pikolycky. "I encourage all those who are interested in the Pinelands' natural, cultural and historic resources to attend this event."
