WOODBINE RECREATION COMMISSION APPOINTS NEW MEMBERS

Woodbine—Mayor William Pikolycky is pleased to announce that several new members have been appointed to the Woodbine Recreation Commission. Jennifer Cruz and Melissa Rodriguez, who had been filling out unexpired terms, were appointed as regular members. John Weldon, a long-time coach in Recreation Commission sports, was appointed as Alternate I member, and Jenessa Player Palek was appointed as Alternate II member.

“I congratulate these new appointments to our Recreation Commission and once again thank all the members for their ongoing dedication to our Recreation programs,” added Mayor Pikolycky. “We are also all very excited about Opening Day on April 30 for our baseball season and the South Jersey Gas award that will be presented during the opening ceremonies. The presence of their mascot “Comfy Bear” will add to the festive family atmosphere of the opening event and enjoyment for all the children present.”
