### **SENIOR ACTIVITIES PROGRAM AT WOODBINE COMMUNITY CENTER EXPANDS TO FIVE DAYS A WEEK**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Woodbine Recreation Commission now has expanded activities for people over 50 five days a week at the Woodbine Community Center, Longfellow and Monroe Streets, Woodbine.

These activities are held from 10 a.m. to 3 p.m., with light refreshments served daily from noon to 1 p.m.

Activities include Wii games, Scrabble, sewing and quilting, and movie days.

For more information or suggestions call the Woodbine Recreation Commission office at 861-2800 and leave a message.

“Any one over 55 interested in applying for the Experience Works Program, contact Helena Aber at 861-1065,” added Mayor Pikolycky. “Without Experience Works, it would not be possible to staff these senior activities on a daily basis. Come join in the fun.”
