WOODBINE RECEIVES \$5,252.44 GRANT FOR RECYCLING TONNAGE

Mayor Pikolycky is pleased to announce Woodbine has received a grant from the New Jersey Department of Environmental Protection (DEP) totaling \$5252.44 for recycling tonnage.

Recycling tonnage grants are awarded through the state's Recycling Enhancement Act and are funded through a \$3 per-ton surcharge on trash disposed at solid waste facilities. Those fees are allocated back to municipalities based on how much recycling each community reports accomplishing during a particular calendar year.

Mayor Pikolycky would like to thank DEP Commissioner Shawn LaTourette and his entire staff for ensuring this dynamic program continues. "Our partnerships with DEP are vital to the ongoing success of Woodbine."
