SOUTH JERSEY GAS GIVES INFORMATIONAL PRESENTATION IN WOODBINE

Woodbine—Mayor William Pikolycky is pleased to announce that on Tuesday, September 14, at 7:30 p.m. South Jersey Gas will be at the Woodbine Municipal Building, 501 Washington Avenue, for a formal Question and Answer Session about natural gas service for community residents and business owner.

Representatives from South Jersey Gas, the natural gas utility, will present information that will help homeowners and business owners to better understand their energy options and to answer any questions community members may have regarding the installation project. Also discussed will be funding programs that assist with the cost of fuel conversion.

For those unable to attend the event but have questions regarding using natural gas, South Jersey Gas representatives can be reached at 800-822-WARM. Applications for natural gas service are available at the municipal building and at the Woodbine library.

South Jersey Gas, the principal subsidiary of South Jersey Industries (NYSE:SJI) provides natural gas service to over 343,000 residential, commercial and industrial customers in Atlantic, Cape May, Cumberland, Salem, and portions of Gloucester, Burlington and Camden counties in New Jersey. Visit <http://www.sjindustries.com> to learn more about South Jersey Gas.

“We are delighted to welcome South Jersey Gas’s extension into Woodbine and urge interested residents and business owners to attend this informational presentation,” added Mayor Pikolycky.
