WOODBINE NOW ON GOVERNMENT ACCESS TV "TWENTY-FOUR/SEVEN"

Woodbine—Mayor William Pikolycky is pleased to announce the Woodbine is now live round-the-clock on Comcast Government Access TV channel 97.

Announcements of meetings and events of Borough-wide importance will be appearing each month. Timed events appear at the beginning of the month and are taken down the day after the event occurs.

These announcements are not as detailed as the Borough website which can be found at www.boroughofwoodbine.net and which includes extensive Borough information including all Borough press releases.

"I am pleased to announce that Comcast is now providing Government Access Television public service announcements for the Borough community that will allow us to notify residents in an enhanced format that complements our borough website," announced Mayor Pikolycky.
