PRESS RELEASE

April 20, 2022

NEW JERSEY TREE RECOVERY CAMPAIGN PROVIDES FREE TREE SEEDLINGS TO RESIDENTS IN WOODBINE

Woodbine—Mayor William Pikolycky is pleased to announce that the Borough of Woodbine will be receiving 1-to-2 foot seedling trees under the New Jersey Tree Recovery Campaign. Members of Woodbine’s Sustainable Jersey “Green Team” will be distributing the trees.

Free tree seedlings will be available on Saturday, April 30, 2022 from 10 am to 1 pm as part of the New Jersey Tree Recovery Campaign.

The location for pick-up will be under the gazebo at the intersection of Washington Avenue and DeHirsch Avenue on a first come, first serve basis; with an initial offering of five trees.

Seedlings also come with instructions on how to store, care for, and plant them. These guides help owners choose the right place on a property to plant a tree while keeping in mind the tree’s full-grown size in the future. Owners should plant the seedlings within two days after pick-up in order to prevent the roots from drying out.

The goal of the Tree Recovery Campaign is to distribute over 700,000 tree seedlings to New Jersey residents over the course of the next five years. It is a joint effort between the Borough, New Jersey State Forestry Service, New Jersey Soil Conservation Districts, Sustainable Jersey, and the Arbor Day Foundation.

If you have any questions please contact the Borough Hall at 609-861-2153.
