FREE FLU CLINIC AT WOODBINE ELEMENTARY SCHOOL

Woodbine—Mayor William Pikolycky is pleased to announce that The Cape May County Department of Health is hosting their annual Free Flu Clinic on Tuesday, October 6th, 2016, from 2:30 - 4:00 PM in the Woodbine Elementary School Gym.

School Nurse Donna Strunk ask us to spread the word: "This is your opportunity to have a free Flu vaccine for you and your family, so take time out this Thursday October 6th and come to our school". Be sure to bring your preschool child, because it is required for school, for them to have the Flu Vaccine."

Any questions, please call the school at 609-861-5174.
