### **WOODBINE ELEMENTARY SCHOOL HOLDS "WALKING SCHOOL BUS" TO MARK FIRST DAY OF SPRING**

**Woodbine**—Mayor William Pikolycky is pleased to announce that on Wednesday March 20th Woodbine Elementary School students and staff celebrated the first day of Spring with the Walking School Bus!

Students met staff members at two different locations and practiced walking and roadway safety. The Walking School Bus is in partnership with Safe Routes to Schools program and the Borough of Woodbine. Monthly Walking School Bus events will also be held for the remainder of the school year.

"Walking School Bus not only teaches students safety but encourages healthy walking experiences," added Mayor Pikolycky.
