WOODBINE MUNICIPAL UTILITIES AUTHORITY HONORED FOR SEVENTEEN YEAR RECORD OF BEING ACCIDENT FREE

Woodbine—Mayor William Pikolycky is pleased to announce that the New Jersey Utility Authorities Joint Insurance Fund awarded the Woodbine Municipal Utilities Authority a “Safe Work Place” certificate for 17 consecutive years of being “lost-time accident” free.

“I congratulate our utilities authority for their sterling performance in remaining accident free from 1996 through 2012, and remain confident that this excellent record will continue for years to come,” added Mayor Pikolycky. “Attaining this accomplishment also serves to keep our premiums stable.”
