WOODBINE MUNICIPAL AIRPORT RECEIVES FUNDING FROM NJDOT

Woodbine—Mayor William Pikolycky is pleased to announce that Woodbine Municipal Airport has received \$377,948.55 in funding from the New Jersey Department of Transportation, Bureau of Multimodal Grants and Programs for construction relating to Runway 9-27 rehabilitation, repair, and upgrade.

“We were one of only six airports throughout the State who received grant funding. I want to thank both the Governor and the Commissioner of Transportation for recognizing the importance of our Municipal Airport to our entire area by selecting us in such a competitive environment,” noted Mayor Pikolycky. “We expect to go out to bid for this work sometime this fall.”
