BEADED VALENTINE BRACELET WORKSHOP AT CAPE MAY COUNTY LIBRARY WOODBINE BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will present “Beaded Valentine Bracelet Workshop” by Betty Tocci at the Woodbine Branch of the CMC library, 800 Monroe Street, Woodbine, on Thursday, February 13, 2014, at 4:30 to 6 p.m.

If you are interested in basic jewelry, beading techniques, and creative thinking, then this class is for you! Create a very simple, yet beautiful piece of jewelry to wear everyday or special occasions. At the end of this workshop, participants will have a completed beaded bracelet ready for Valentine’s Day.

Betty Tocci has been beading most of her life. She found she needed to learn how to do a variety of different jewelry when her husband built a store at their bison ranch and needed unique things to sell. Betty knows every woman loves one of a kind jewelry, and enjoys sharing her passion of jewelry making.

Class size is limited; therefore, registration is required. A \$6.00 nonrefundable materials fee is due upon registration. For additional information, please call 463-6386 or visit online at www.cmclibrary.org.

“Thanks to the County Library system for bringing another fascinating workshop to our Woodbine branch which continue to be instructive as well as enjoyable,” added Mayor Pikolycky. “The mosaic pictureframe workshop in January was well-attended and we look forward to this one being as successful and enjoyable.”
