BEADED WIRE WRAPPED BRACELET DEMONSTRATION AT CAPE MAY COUNTY LIBRARY WOODBINE BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will present a third demonstration by Betty Tocci at the Woodbine Branch of the CMC library, 800 Monroe Street, Woodbine, on August 8, at 5 p.m.

Betty Tocci has been beading most of her life. She found she needed to learn how to do a variety of different jewelry when her husband built a store at their bison ranch and needed unique things to sell. Betty knows every woman loves one of a kind jewelry, and enjoys sharing her passion of jewelry making. Betty will demonstrate how to design and bead to create this beautiful piece of wearable art.

Please bring reading glasses if needed.

Thanks to the County Library system for bringing this series of fascinating demonstrations to our Woodbine branch which continue to be instructive as well as enjoyable," added Mayor Pikolycky. "Any one interested in following up by taking the hands-on workshop class offered at the Sea Isle City on August 9 is urged to call the Library's Adult Programming Department for registration information ."

For more information, call the Woodbine library branch at 861-2501 or the Adult Programming Department at the Main Library 463-6386 or visit online at www.cmclibrary.org.
