SIMPLE WOVEN BEAD BRACELET DEMONSTRATION AT CAPE MAY COUNTY LIBRARY WOODBINE BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will present an demonstration by Betty Tocci at the Woodbine Branch of the CMC library, 800 Monroe Street, Woodbine, on June 18, at 2 p.m.

Betty Tocci has been beading most of her life. She found she needed to learn how to do a variety of different jewelry when her husband built a store at their bison ranch and needed unique things to sell. Betty knows every woman loves one of a kind jewelry, and enjoys sharing her passion of jewelry making. Betty will demonstrate how to design and bead to create this beautiful piece of wearable art.

"We once again thank the County Library system for bringing this fascinating demonstration to our Woodbine branch that we are sure will be instructive as well as enjoyable," added Mayor Pikolycky. "Any one interested in following up by taking the two-day hands-on workshop class offered at the Sea Isle Branch is urged to call the Library's Adult Programming Department for registration information ."
