WOODBINE RECEIVES CLEAN COMMUNITIES FUNDING

Woodbine—Mayor William Pikolycky is pleased to announce that The New Jersey Department of Environmental Affairs has informed the Borough of Woodbine that its 2008 Clean Communities entitlement is \$4,947.40. To date Woodbine has received over \$35,000 from this program over the past several years.

Twenty-one counties and five hundred fifty-nine municipalities are eligible to receive the Clean Communities Funding during 2008. The amount of the entitlement is calculated based on a total of \$13 million in anti-litter fees collected as of March 2009. Woodbine's share is based on its proportionate share of housing units and municipal road mileage.

"These funds again come at a good time when our municipal budgets are continuing to be challenge, giving us needed leveraging funding for keeping up our Clean Communities program," added Mayor Pikolycky.
