FREE FLU CLINIC AT WOODBINE ELEMENTARY SCHOOL

Woodbine—Mayor William Pikolycky is pleased to announce that The Cape May County Department of Health is hosting their annual Free Flu Clinic on Wednesday, October 11, 2017, from 2:30 - 4:30 pm in the Woodbine Elementary School Gym.

School Nurse Donna Strunk ask us to spread the word: "This is your opportunity to have a free Flu vaccine for you and your family, so take time out on October 11 and come to our school. No appointment necessary; children must be accompanied by an adult. Be sure to bring your preschool child, because it is required for school, for them to have the Flu Vaccine."

Any questions, please call Nurse Strunk at the school (609-861-5174 ext. 124).
