MOSAIC GARDENSTONE WORKSHOP AT WOODBINE LIBRARY BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding a “Mosaic Garden Stone” workshop at the Woodbine Branch, located at 800 Monroe Street, Woodbine, on Saturday, April 5, 2014, from 11 am to 1 pm

Create a garden stone with bits of glass, mirror, buttons, shells, tiles, beads, and other fun and interesting materials. No experience required, just bring yourself and a desire to have fun! At the end of this one day workshop, participants will have a beautiful and lasting creation to accent a garden or hang on a wall.

Instructor Michele Pasciullo is a graphic designer with an AA from Cumberland County College. A member of Ocean City Fine Arts League, she's displayed and sold her work at local shops as well as given home parties and workshops. Join her in creating your very own masterpiece!

A \$10.00 non-refundable materials fee is due upon registration. For more information and to register, please call 463-6386 or visit www.cmclibrary.org .

“This should prove an exciting hands-on experience and result in a keepsake masterpiece at the conclusion,” concluded Mayor Pikolycky.” This is another opportunity for expanded instructional activities that are being offered within our community.”
