WOODBINE FIRE HYDRANTS TO BE FLUSHED MAY 20 TO 23

Woodbine—Mayor William Pikolycky wishes to inform Woodbine residents that the Borough of Woodbine will be flushing fire hydrants starting on the night of May 19 and continuing through May 23.

Flushing will take place from 10 p.m. to 6 a.m.

Reminder: Please do not park directly across from a fire hydrant during this time (as well as never parking in front of one because of emergency needs). Also be aware that there may be some discoloration of water during the hours of flushing and shortly thereafter.

“It’s that time of year again for our periodic flushing out of our water main system so that we can continue to maintain the high quality standard that we have had all these years,” noted Mayor Pikolycky.
