

The Smithsonian Traveling Exhibit Key Ingredients: America by Food is coming to Cape May County this summer!

The exhibit will be at the Sam Azeez Museum of Woodbine Heritage and the Woodbine Branch of the Cape May County Library from July 19 to August 31. Part of this celebration will be a production of a cookbook of family recipes and for this the organizers need *your* help!

Please send any recipes you'd like to share (along with any family stories that might accompany them) to Jane Stark at the Museum. Jane's e-mail is jstark@thesam.org. Please send in your recipes by May 15.
