### **WOODBINE LIBRARY BRANCH HOLDS CHILDREN'S PROGRAMS**

**Woodbine**—Mayor William Pikolycky reminds local resident that the Woodbine Branch of the County Library, located at 800 Monroe Street, Woodbine (adjacent to the school), has ongoing programs for young people.

The Winter Preschool Storytime, for children aged 2 to 5 and their caregivers, is held every Thursday at 10 a.m. It includes stories, songs, rhymes, and crafts.

Children's "Art at the Library" is held every Monday starting at 3:30 p.m. through May 23. Each week a new art medium will be explored to re-create a page from Caldecott Medal winning books. Share and celebrate these fabulous books.

For more information call 861-2501 or go to the library website
