WOODBINE LIBRARY BRANCH TO HOLD GOURD CENTERPIECE WORKSHOP

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding a workshop at the Woodbine Branch, located at 800 Monroe Street, Woodbine, Tuesday, November 10, from 4 to 6 pm on creating an elegant fall gourd centerpiece, gold with fall leaves. The presenter will be Betty Tocci.

A \$10.00 nonrefundable materials fee is due upon registration. Brushes not provided, participants are asked to please bring: 1" flat brush & liner brush, 1/2" filbert

Betty Tocci has been a practitioner of many different types of crafts for most of her life. She found she needed to learn how to do a variety of different crafting when her husband built a store at their bison ranch and needed unique things to sell. This knowledge has made her well-rounded in many different forms of art.

Class size is limited; therefore registration and a valid library card are needed to attend. A \$10.00 nonrefundable materials fee is due upon registration. For additional information, please call 463-6386 or visit online at www.cmclibrary.org.

"We welcome back Betty Tocci to our Branch where she has given enjoyable and useful workshops on a number of occasions already," commented Mayor Pikolycky. "Once again, without the support of our County Library these workshops would not be available locally."
