All participants required to bring a pair of size 9 knitting needles and a 100% ball of cotton yarn of their color choice (Sugar and Cream brand is suggested).

For additional information and to register please call 463-6386 or visit online at www.cmclibrary.org. Attendees must be 18 Years or older.

For Debbie West, crafts have always fascinated her, especially creating and producing actual items to use and wear. She has been working with yarn and sewing since she was a child with her grandmother. A resident of Cape May County for 14 years, she is retired from nursing. She enjoys sharing her knowledge with others and has been teaching for 20 years, as well as, promoting her items at local bazaars.

“This will be an enjoyable and useful learning experience for all those who attend,” noted Mayor Pikolycky.
