Create a Mosaic ADDRESS PLAQUE 3-Day Workshop At Woodbine Library Branch

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding a three-day workshop at the Woodbine Branch, located at 800 Monroe Street, Woodbine, January 15, January 22, and January 29, 2015 (all Thursdays) from 4 to 6 pm on creating a mosaic address plaque.

In this three session mosaic course, participants will go in-depth to create a unique work of art to display on the front of their home. Topics such as planning a layout, choosing colors, preparing materials for outdoor use, and listening to your inner artist will be discussed. At the end of the three-week course, participants will have a handmade, professional looking mosaic address plaque. No prior experience required

Presenter Michele Pasciullo is a graphic designer with an AA from Cumberland County College. A member of Ocean City Fine Arts League, she has displayed and sold her work at local shops as well as given home parties and workshops.

Class size is limited; therefore, registration is required. A \$20.00 nonrefundable materials fee is due upon registration. For additional information please call 463-6386 or visit online at www.cmclibrary.org.

"I am delighted that the County Library is adding yet another "Mosaics by Michele" to its expanded, hands on, offerings in Woodbine," added Mayor Pikolycky.
