### **CAPE MAY COUNTY LIBRARY HOLDING TWO-DAY MOSAIC BEACH TAG TRAY/CATCH-ALL MAKING WORKSHOP AT WOODBINE BRANCH**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding a two-day workshop at the Woodbine Branch, located at 800 Monroe Street, Woodbine, on June 11 and June 18 (both Saturdays) from 10 am to 12 pm on creating a mosaic catch-all tray.

Everyone needs a pretty spot to put their beach tags, keys or loose change. This mosaic catchall will do the job perfectly. Use bits of glass, tile, beads, shells, and sea glass to make you own unique creation. The first day of this two-day workshop is designing and gluing. The second day is grouting and finishing. Suitable for all skill levels!

Instructor Michele Pasciullo is a graphic designer with an AA from Cumberland County College. A member of Ocean City Fine Arts League, she's displayed and sold her work at local shops as well as given home parties and workshops. Join her in creating your very own masterpiece!

Class size is limited; therefore, registration is required. A \$15.00 nonrefundable materials fee is due upon registration. For additional information please call 463-6386 or visit online at [www.cmclibrary.org](http://www.cmclibrary.org).

“Mosaics by Michele” are always favorite workshops for our dedicated corps of library crafters,” added Mayor Pikolycky. “And this summertime catch-all tray is sure to be a seasonal hit at these Saturday morning workshop sessions.”
