CAPE MAY COUNTY LIBRARY HOLDING PAINT-A-SEASHELL WORKSHOP AT WOODBINE BRANCH

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will be holding workshop at the Woodbine Branch, located at 800 Monroe Street, Woodbine, on Tuesday, August 4, 2015 from 4 to 6 pm on painting seashells. Presenter will be Betty Tocci.

The possibilities are endless when it comes to painting sea shells. This class will help you create a particular design or pattern you want to put on your shell. Participants are required to bring their own brushes including a ½-inch angle brush, a fine liner brush, a #1 round brush, and a picture to paint on the shell.

Betty Tocci has been a practitioner of many different types of crafts for most of her life. She found she needed to learn how to do a variety of different crafting when her husband built a store at their bison ranch and needed unique things to sell. This knowledge has made her well-rounded in many different forms of art.

A \$7.00 nonrefundable materials fee is due upon registration. For additional information please call 463-6386 or visit online at www.cmclibrary.org.

All participants to bring to workshop good quality brushes including:
