WOODBINE Library BRANCH Hosts Paper Beads Craft for Teens

Woodbine—Mayor William Pikolycky is pleased to announce that the Woodbine branch of the Cape May County Library, 800 Monroe Avenue, will be locating a “Paper Beads” craft session on Tuesday, August 16, at 5 p.m.

Make beads out of paper, then use them to make a bracelet! Library staff will have everything you need. Just bring your creativity!

Open to teens entering grades 6-12. No registration required. Just show up! Look for our take-home craft in your local branch's teen space, too! All teens can visit and use all branches of the Cape May County Library. Coloring sheets will be provided for younger siblings who accompany teen participants to the library.

Registration is not required for this event. For more information, please contact the Cape May County Library Teen Department at (609) 463-6357 or email us at teen@cmclibrary.org.

“ Received some rave reviews of the July “Super Bowls” craft session from a number of attendees: ‘This program was fun and you are able to express yourself with art skills and talent. You can talk to each other in comfort!’(Nyasia, age 11) and ‘This program gives you time to express your feelings in the fun activities. It gives you time to communicate with other kids.’ (Nadia, age 13),” commented Mayor Pikilycky. “We hope to see them again along with many other teen crafters for the August “Paper Beads” project.”
