### **WOODBINE BRANCH OF CMC LIBRARY HOLDS LOCKER DECORATION EVENT FOR TEENS ON SEPTEMBER 19**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Cape May County Library will host a locker decoration creation event for Teens (grades 6 and up) on September 19 at 2:30pm at the Woodbine Branch at 800 Monroe Street, Woodbine.

Need to make your new school locker more “you”? Come to the library! The teen librarians will have supplies to decorate the inside of your locker with practical additions: clips to hang reminders on, magnets to personalize your space, containers to hold pencils, and banners to match your style.

All supplies provided and no registration is needed.

Questions? Call the Teen Department at 609-463-6340 or email them at [teen@cmclibrary.org](mailto:teen@cmclibrary.org).

“We are so delighted to see a return of “teen” programming at our Woodbine Branch and encourage our young people to make this an “afterschool” stop to begin the new schoolyear with a personalized touch,” encouraged Mayor Pikolycky.
