### **County Library Hosts Origami Star Craft for Teens**

**Woodbine**—Mayor William Pikolycky is pleased to announce that the Cape May County Library invites teens in grades 6-12 to a crafting session featuring origami stars that will be held at 2:30 on Tuesday, May 24, Woodbine Branch library, 800 Monroe Avenue, Woodbine.

Make some origami stars! Teen library staff will show you how and give you all the supplies you need.

Open to Grades 6-12. No one younger can participate. Coloring sheets will be provided for younger siblings. NO REGISTRATION REQUIRED. Just show up! Look for our take-home craft in our local branch's teen space, too! All teens can visit and use all branches of the Cape May County Library.

For more information, please contact the Cape May County Library Teen Department at (609) 463-6357 or email us at [teen@cmclibrary.org](mailto:teen@cmclibrary.org).

“Eight teens show up to make Bristlebots on May 10! It was a lot of fun and a good STEM (science, technology, engineering, mathematics) project. One of the teens said she might make more of them as a science fair project in the future. An enthusiastic Ky'lecia Sydnor, who has participated in all these library sessions, informed my office: ‘The library staff is very helpful. The craft projects they come up with are very creative’,” reported Mayor Pikolycky.
