WOODBINE BRANCH OF CMC LIBRARY HOLDS "TEENS AND TWEENS" ACTIVITIES IN MONTH OF DECEMBER

Woodbine—Mayor William Pikolycky is pleased to announce that the Cape May County Library will host two "tweens & teens" activities during the month of December at the Woodbine Branch, 800 Monroe Avenue, Woodbine.

The Teen Department of the Cape May County Library will be hosting after-school activities (games, crafts, and other fun) for students in grades 4-8 at the Woodbine Branch library twice in the month of December. The programs will be held at 2:30 p.m. Tuesdays, December 5 (popsicle stick ornaments) and December 19 (paper crafts: snowflakes & origami).

Registration is not required for these programs.

For more information, please call the Teen Department at (609) 463-6340 or email teen@cmclibrary.org.

"Our November programs were luminaries and duct tape wallets" noted Mayor Pikolycky. "The number of students attending continues to increase, a mix of regulars and new additions, and the joy of their creativity has been shared with us by the teen library program staff."

Also at the Woodbine Branch, on Monday December 4 from 10 to 11 am, will be "Sugarplum Storytime". Children age 2 to 6 and their families are invited to come celebrate the season with a holiday storytime in their jammies. Time to read holiday stories, sing songs, and decorate cookies. No registration is necessary.
